++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with some drizzle and fog overnight.

This Evening and Tonight:
Remaining overcast for many areas overnight, with some fog mainly on higher ground, and drizzly outbreaks. However, in the north some clearer spells becoming more widespread, giving cooler temperatures with fog developing, especially during the early hours. Minimum temperature 7 deg C (45 deg F).

Thursday:
Mist, fog and low cloud only slowly clearing through the morning. Turning brighter into the afternoon, with the odd shower possible and winds picking up a little during the evening. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Wet and windy Friday. Winds easing into the weekend, but cloudy for most with outbreaks of light rain or drizzle, and some fog moving in from the North Sea.
